

# Communicate Collaborate Coordinate

Response is a low-cost, simple-to-use web and mobile situational awareness platform for day-to-day and emergency operations.

Mapping, Information Sharing, Team Mobilization, Emergency Notification, and Push-to-Talk Integration all in one deployable solution.

**“Response has significantly increased capacity with understanding our positioning to the challenges we are facing, it improved our operational safety and contributed to our mission’s success.”**

– St Paul Assistant Chief of Police during MN unrest

## Advantages

- Decrease Response Times
- Real-Time Information Sharing
- Manage Multiple Operations
- Interoperability Among Disparent Groups

# Intrepid **RESPONSE**

## Locate

Geo-spatial solution features rich live mapping, view of all personnel, tagged assets, and markers in near real-time.

### Features and Benefits

- Near real-time location of all team members
- Auto-Navigate to personnel and markers
- Channels allow multiple simultaneous operations
- Custom map markers and colors
- Define areas of interest
- Access web links directly from personnel and static markers

## Connect

A multi-layered collaborative workspace that provides highly secure team communications and sharing of digital content on demand.

### Features and Benefits

- Highly secure multi-media sharing of text, videos, photos, and documents
- Instant messaging with individuals or entire team
- Collaborative documents and white boards
- Automated Task Management

## Activate

Simple-to-use emergency notification and response team mobilization tool.

### Features and Benefits

- Persistent and loud notifications
- Users can accept or decline the activation
- Overrides phone sleep and do not disturb modes
- Receive critical information about the incident
- Auto-navigate to the incident location

## Push-to-Talk

Integration with leading PTT solutions

### Features and Benefits

- Integrate PTT solutions directly into our Response dashboard
- Evoke calls directly from personnel markers to individuals or ad-hoc group
- Customizable PTT button location

**“Response has proven to be the best emergency notification technology app for getting our SWAT team deployed to critical incident scenes 24/7.”**

– Houston Police SWAT Commander
